

**ACTION**

Rebase

**DETAIL**

You can use rebase at any time to quickly find the source of a bug. This action counteracts the “Bug” card.

**ACTION**

Bug

**DETAIL**

Play on a specific code card another player’s commit. This commit has a bug and must be discarded.

**ACTION**

Bug

**DETAIL**

Play on a specific code card another player’s commit. This commit has a bug and must be discarded.

**ACTION**

git blame

**DETAIL**

You can use blame at any time. A “Bug” card played against you can be passed to another player of your choosing.
